

Book2Buk2 - The concatenation continues
17th – 18th August, UPNG Waigani Campus, Main Lecture Theatre
“Celebrating 40 odd years of bookselling at UPNG”

“If he shall not lose his reward who gives a cup of water to his thirsty neighbour, what will not be the reward of those who by putting books into the hands of those neighbours, open to them the fountains of eternal life” Thomas A Kempis

This meeting is being run in association with the 2010 Waigani Seminar by UPNG Press and Bookshop. It will be about developing a local book culture and a chance to hear about relevant projects and progress. It will draw attention to the work of UPNG Press and Bookshop and enhanced publication activity. The PNG area of the shop is probably the best shop collection of for sale items about the country anywhere in the world. New areas will be launched at this time.
